

Date 7/11/2017

Ed Ebrahimpian, Director
Bureau of Street Lighting
City of Los Angeles
1149 South Broadway, Suite 200
Los Angeles, California 90015

Dear Mr. Ebrahimpian,

REVOCABLE PERMIT FOR PICO BLVD MEDALLION INSTALLATION ON CITY STREET LIGHTS

This letter is our official acceptance of the Bureau of Street Lighting's requirements for the Byzantine-Latino Quarter Business Improvement District (BLQ BID) to operate the items described below. Sonia Romero and her contractor, American Fleet and Retail Graphics (DBA AG Media), will then receive authorization to install decorative medallions on City (BSL) streetlights. It is understood that immediately after the installation is completed, the BID will be responsible for maintenance of said medallions, to be installed on 25 light poles on Pico Blvd. Western Ave to 110.

The requirements are based on the City Policy, per Council File No. 03-1995 and Council File 01-2023, and other necessary requirements of the Bureau of Street Lighting. All of these requirements are listed below. It is our understanding that the details of the installation are to be provided to the BSL by American Fleet and Retail Graphics (DBA AG Media), contractor to Sonia Romero, and approved prior to the installation.

This is to provide, guarantee and/or agree to the following:

1. By and on behalf of the BID, in consideration of the request for and granting of the right to use the below listed or described streetlights ("Lights") it is hereby agreed that the BID shall and hereby does indemnify, hold harmless, release and forever discharge the Bureau of Street Lighting, and the City of Los Angeles and its officers, employees, and representatives from any and all liability for negligent acts or omissions and all claims and demands whatsoever (but excluding liability arising from such parties' willful misconduct or gross negligence), which the BID, or any persons acting on their behalf, have or may have against the Bureau of Street Lighting, and/or the City of Los Angeles or its officers, employees and representatives by reason of any real or personal property damage, bodily injury or death arising directly or indirectly from the referenced activities. The BID also hereby agrees to repair any and all damage to the Lights arising or resulting from the BID's activities as described here.
2. We have obtained liability insurance to cover any possible incident, injury or damages resulting from the installations, such as equipment falling from a streetlight. Proof of insurance

coverage for the coming year is enclosed. Insurance coverage amounts are \$1 million per incident, and \$2 million aggregate.

3. BID contact information, including name, position, address, telephone, fax and email (regarding maintenance, operation, insurance, equipment condition, streetlight knockdown, needs to remove or install equipment, documentation, etc.):

Darin French, Program Manager BLQ BID
Los Angeles Neighborhood Initiative
800 S Figueroa St Ste 970
Los Angeles, CA 90017
213-627-1822 ext. 13
darin@lani.org

If there is a change in contact information, we will advise the BSL of the new information within 30 days of the change.

4. The duration of the installation, and the current authorized term of the BID is to December 31, 2018.

5. We accept the condition that this is a revocable permit for installation and maintenance of medallions on City streetlights, and any changes must be approved in advance by the Bureau of Street Lighting.

6. Enclosed is a \$350 permit fee

For the BID: (Print name and position below signature)
